Halloween Social Story

My name is _____. Soon it will be Halloween. Lots of people like to dress up in costumes for Halloween. They dress up because it is fun. When kids wear costumes they are still the same kid inside the costume. The costume may look different but really the kid wearing the costume is the same. There are many costumes that are soft and feel good to wear. I can wear a costume, too! I may wear a _____ costume.

On Halloween, different kids like to do different things. Some kids like to go to a party. Some kids like to go trick-or-treating. On Halloween I want to_____.

Halloween is exciting so sometimes there can be too much excitement. When I feel too excited I can take a break or _____.

It is important to stay safe on Halloween. Kids need to stay with an adult. Kids need to always stay on the sidewalk and wait until an adult can take them across the street. I will only go to houses where the light is on and the house looks friendly.

I may get lots of treats on Halloween. My _____ will let me know when I can eat my treat.

I will have fun on Halloween!
